Brown Rudnick Represents Stonefund2 and OakInvest in Their Investment in Cleantech Company Greener Solutions Group PLC

London, U.K., October 30, 2008 -- Brown Rudnick, a premier international law firm, acted for the Belgian private equity firms **Stonefund2** and **OakInvest** in connection with the recent financing of **Greener Solutions Group PLC**, the leading UK mobile phone recycling & reuse company. The proceeds will be used to accelerate the company's international expansion across Western Europe and into Eastern Europe and the Balkans.

Brown Rudnick's Cleantech Team serves the needs of companies and investors involved in renewable, sustainable, and environmentally safe technologies. The Firm is actively involved in helping clients address the full spectrum of cleantech issues and opportunities on an international scale. The Firm represents investors, entrepreneurs, developers, service providers and other market participants. Since July, the Firm has been engaged in the following cleantech-related financings:

- Acted for **Index Ventures** as lead investor in connection with the recent \$34.5 million financing of Lehigh Technologies, Inc., a Florida, U.S.-based manufacturer of engineered rubber powder sourced from recycled rubber.
- Acted for lead investor **Environmental Technologies Fund** (ETF) in connection with the recent \$17 million financing of Industrial Origami, Inc., developer of new patented technology for designing and manufacturing with sheet materials.
- Represented the **ACME Group**, a leader in the field of innovative infrastructure solutions for the wireless telecom industry, in connection with a high volume fuel cell supply agreement with IdaTech plc and Ballard Power Solutions, Inc.

Last month, Brown Rudnick was awarded the prestigious Investor AllStars 2008 Service Provider of the Year Award which honors a specialist advisory firm serving the venture capital industry for its innovation, creativity and overall contribution in a venture financed deal. In early 2008, the Firm was named a finalist for a 2008 UK Technology Innovation & Growth Award by Library House in the category of "Technology Law Firm of the Year."
